

Our chapter enjoyed another successful semester this past spring. In seeking to fulfill the many expectations of Sigma Chi, our charitable fundraising increased, as did our overall chapter GPA. Our brothers are also still on a number of university teams, student government and other prominent university organizations. We also welcomed Significant Sigs Charles Davis, **1982**, and Kent Swig, **1982**, to share their experiences as brothers, and to offer their accomplishments in the business world. We look forward to finding our great next class of brothers in the fall as we plan our upcoming 100th anniversary in the spring of 2016.
