THE MAX GRUVER FOUNDATION // ALPHA DELTA PI // SIGMA CHI

On September 14th, 2017, Max Gruver of Roswell, Georgia died in a Fraternity hazing incident at Louisiana State University. Max's college experience lasted **29 days**.

The Gruver family, Alpha Delta Pi, and Sigma Chi are fighting to raise awareness and educate young men and women to understand the importance of looking out for each other, and for stepping in when a situation appears to be getting out of control.

Do **NOT** let another young person die due to the act of senseless hazing. Spread the word. **Be the First** to say something.
