SIGMA CHI FOUNDERS CIRCLE

The Sigma Chi Founders Circle, unveiled during the 81st Grand Chapter, honors brothers who have given back to the Fraternity throughout their lives and also have left a legacy for Sigma Chi's future. In honor of Sigma Chi's seven Founders, the Founders' Circle is a group of men who have achieved three significant milestones within Sigma Chi through volunteerism and monetary contributions:

- Induction into the Order of Constantine, which is the Fraternity's highest honor and recognizes alumni with over 20 years of service to Sigma Chi at the international, provincial, undergraduate and alumni chapter levels.

WILLIAM LEWIS LOCKWOOD SOCIETY

In honor of Founder William Lewis Lockwood, the Lockwood Society recognizes brothers and friends who have provided significant financial support. Membership in this premier giving society is based on cumulative lifetime giving of \$100,000 or more to Sigma Chi Foundation-sponsored leadership and scholarship initiatives.

Membership in the society entitles a donor to have their name permanently listed on the William Lewis Lockwood Society display at the J. Dwight Peterson Sigma Chi International Fraternity Headquarters.

DONOR RECOGNITION POLICY

As of July 2007, the Foundation recognizes in its giving societies and annual report donors who contribute to the unrestricted annual fund, the Bell Chapter Challenge, a program fund, a Donor-Scholar Awards initiative, Foundation-operated scholarship fund, naming opportunities or Historical Initiative. Contributions to chapter scholarship funds are recognized by individual chapters. Irrevocable planned gifts are recognized based on the face value of the gift. They are booked on the Foundation's financial statement based on generally accepted accounting principles.

JAMES PARKS CALDWELL SOCIETY

The James Parks Caldwell Society recognizes brothers and friends who have named the Sigma Chi Foundation as a beneficiary of a planned gift, which includes a will, trust, retirement plan, life insurance policy or life income gift. The society's namesake, Founder James Parks Caldwell, **MIAMI (OHIO) 1857**, was known for being true to principle. The society honors not only Founder Caldwell, but also all who share a lifelong commitment to advancing the vision and interests of the Fraternity.

SIGMA CHI ANNUAL FUND

The Sigma Chi Annual Fund consisted of unrestricted gifts that supported Sigma Chi Foundation priorities during the 2018 to 2019 fiscal year. On July 1, 2019, the existing Life Loyal Sig program was merged with the Foundation's annual giving program to give members an opportunity to provide additional monthly and annual support.

Brothers who made at least one gift to the Annual Fund between July 1, 2018, and June 30, 2019, are recognized in the following categories:

WHITE CROSS TRUST honors donors who make an annual gift of \$1,000 or more to support the unrestricted Annual Fund, Bell Chapter Challenge, Donor-Scholar Awards, Foundation-operated scholarship naming opportunities or the Historical Initiative. Contributions to chapter scholarship funds are recognized by individual chapters.

WHITE CROSS TRUST ASSOCIATES honors donors who have made lifetime gifts of \$1,000 or more.

CREST CLUB honors donors who have made a gift between \$500 and \$999.

FOUNDERS' SOCIETY members have made cumulative gifts between \$250 and \$499.

CIRCLE OF HONOR members have made cumulative gifts between \$100 and \$249.

SUSTAINING MEMBERS have made cumulative gifts totaling up to \$99.

COMPANY MATCH GIFTS

Many companies encourage their employees to contribute to worthy charities by matching their donations, thereby doubling an employee's giving power. If your company has a matching gift program, you can participate by completing the form provided by your human resources or payroll office. All matched gifts are credited to your individual gift record and count toward membership in one of our donor clubs.
