HONORING OUR FALLEN & WOUNDED MILITARY SIGS WITH FOLDS OF HONOR

Foundation to provide academic scholarships to spouses and children of brothers who have fallen or been disabled while serving in Armed Forces

The Sigma Chi Foundation announced on Veterans Day that it is joining Folds of Honor in establishing academic scholarships for the spouses and children of Sigs who have fallen or been disabled while serving in the United States Armed Forces.

From the American Civil War through the war on terrorism, approximately 918 Sigma Chi members have served and paid the ultimate price with their lives for the United States and Canada through many military conflicts.

"We are proud of the long tradition of military service from our Sigma Chi brothers including brothers who have sacrificed their lives, many more who have been wounded in conflict and our more than 1,000 living active and veteran military Sigs," said John Forst, **GEORGE WASHINGTON 1984**, chairman of the Sigma Chi Foundation Board of Governors. "We are equally proud to partner with our brother, Lieutenant Colonel Dan Rooney, and Folds of Honor, to honor our military Sig brothers through this new scholarship program. Folds of Honor is a welcome addition to the long-standing Sigma Chi Military Service Scholarship and the efforts of many military Sigs to raise scholarship funds for current and future generations of military Sigs."

"I'm excited to join my brothers on Veterans Day to announce this partnership," said Lt. Col. Dan Rooney, **KANSAS 1995**, founder and CEO of Folds of Honor. "Sigma Chi has played an important role in my life

and it's gratifying to see the foundation's further commitment to assisting those military dependents that deserve and need our help."

Folds of Honor is a nonprofit organization that provides educational scholarships to the spouses and children of military members who have fallen or been disabled while serving in the United States Armed Forces. The

FOLDS of HONOR

educational scholarships support private school tuition or tutoring in grades K-12, and two- or four-

year college/university, technical or trade school tuition.

Lt. Col. Rooney, the only person to be both an F-16 fighter pilot and PGA Professional, started the foundation above his garage in 2007, and since its inception, Folds of Honor has awarded over 35,000 scholarships totaling over \$160 million in all 50 states. Among the students served, 41 percent are minorities. It is rated a four-star charity by Charity Navigator and Platinum on GuideStar.

"Providing educational scholarships for the families of fallen or disabled Sigma Chi military veterans on our campuses across the United States is a simple way of saying 'thank you' for their brave service," said Sigma Chi Foundation president and CEO Ashley Woods, **EAST TENNESSEE 2000**. "This exciting partnership with Folds of Honor is a perfect accent to the educational programming and academic scholarship aid, specifically our long-standing Sigma Chi Military Service Scholarship that we presently

Luce, Quiner join Foundation Board of Governors

The Sigma Chi Foundation Board of Governors (FBOG) announced the addition of Jim Luce, **NEVADA-LAS VEGAS 1980**, and Order of Constantine Sig and Past Grand Tribune Mark Quiner, **WYOMING 1978**, to its active roster.

Luce joins the Foundation Board of Governors with 40 years of experience as a successful sales and marketing executive in the pharmaceutical and hotel and resort industries.

Presently the Chief Commercial Officer at TIGura Pharmaceuticals, Executive Vice President at Amneal Pharmaceuticals, Executive Vice President of Bergen Brunswig Drug Company and Regional Vice President – Sales & Marketing for Marriott Hotels and Resorts, with whom he was affiliated at various resorts for over two decades. He is also co-founder and

Chairman of The Legacy Cellar Foundation.

Quiner, known to many within Sigma Chi circles as a longtime volunteer at the international level, brings more than three decades of legal and legislative experience to the board.

An attorney for more than 30 years, Quiner serves as Director for the Center for Ethics in Government at the National Conference of State Legislatures. He previously served more than 25 years as acting director and assistant director for the nonpartisan Wyoming Legislative Service Office for the Wyoming Legislature.

He served Sigma Chi for two terms as immediate Past Grand Tribune and is chairman of the Fraternity's Diversity, Equity and Inclusion Committee.

provide active duty or veteran Sigs pursuing their undergraduate or graduate degrees.”

The Sigma Chi Foundation's partnership with Folds of Honor will further enhance existing efforts that serve to recognize and honor the service of the Chapter Eternal military Sigs and those members who currently serve or are retired from active duty in the United States or Canadian militaries, including top officers in each of America's four major branches of service.

Over the last decade several of these men have

received the Foundation's annual Sigma Chi Military Service Scholarship, which was established to provide support to brothers who are pursuing undergraduate or graduate education during or following military service in any branch of the United States or Canadian militaries.

The Foundation has also proudly recognized honorably discharged or currently serving members of the armed forces by funding the Sigma Chi Military Service Recognition Pin.

"I first joined Sigma Chi with the intent to expand my social horizons. I wanted to meet a diverse and driven group of peers. I found Sigma Chi offered much more. During the pledging process, I felt empowered to develop myself as a scholar and a man. Sigma Chi changed my life. The Mark P. Herschede Engineering Graduate Scholarship is yet another reflection of the high esteem the Sigma Chi Foundation holds for education. This scholarship will provide the financial means for me to complete my education. However, for me it is much more meaningful. This scholarship recognition is validation of ideals that I developed during my time in the chapter; a continual effort to strive for my most ambitious goals."

2021 ANNUAL REPORT

CHAIRMAN'S LETTER

Last year, along with the rest of our world, each facet of Sigma Chi was impacted by the COVID-19 pandemic.

Yet, through everything, our Fraternity and your Sigma Chi Foundation persevered, pushed forward and met each of our commitments to our young brothers.

As we moved into the 2020 to 2021 fiscal year and much of our country began to open its doors, having maintained a strong position through the pandemic, our Foundation team was hard at work reengaging alumni brothers eager to support our mission and benefit Sigma Chi undergrads as they returned to on campus life.

Thanks to their efforts and the generosity of alumni such as yourself, I'm pleased to report that your Foundation returned to pre-pandemic levels of support and entered this fall with an organizational record in academic scholarship funding and continued grant support of our Fraternity and the world-class educational programming provided by the Sigma Chi Leadership Institute.

I'm further pleased to report that the Foundation continues to operate on a financially efficient basis (*see pages 9-10 to learn more*).

Our work in providing much-needed resources for our brothers is perhaps more important today than it was before our world changed because of COVID, and my fellow board members and our Foundation team remain committed to raising the funds necessary to further expand the reach of these leadership development efforts and academic scholarships that impact so many of our members.

As the Sigma Chi Leadership Institute works towards

achieving academic accreditation from the Middle States Association Commission on Elementary and Secondary Schools (MSA-CESS), we must ensure that the funds are present to support the new and existing online and in-person leadership certificate programming offered to each of our members through Sigma Chi's new Transformational Leader platform (*see pages 12-14 to learn more*).

Rising educational and living costs continue to impact undergraduate and graduate brothers across North America, verifying the greater need for academic scholarship support. By supporting our Donor-Scholars efforts or one of our many undergraduate or graduate opportunities, such as the Sigma Chi Military Service Scholarship or the Brothers Helping Brothers grant, you can make a difference in the lives of many.

With your continued support, we will send a message to our undergraduate brothers that we are committed to their future and the success of Sigma Chi.

For the good,

Significant Sig John Forst, **GEORGE WASHINGTON 1984**
Chairman, Sigma Chi Foundation Board of Governors

PRESIDENT & CEO REPORT

It's my honor to brief you on our progress this year and our even brighter future. This has been an extraordinary time for all of us, and I'm delighted to share what your Sigma Chi Foundation has done in the past year and to thank you for your support.

As our chairman, Significant Sig John Forst, **GEORGE WASHINGTON 1984**, noted, we were able to meet growing funding commitments in scholarships and leadership programming and expand the reach of our training efforts across Sigma Chi through the Sigma Chi Leadership Institute and our new Transformational Leader program.

I recently finished my 21st year of service to Sigma Chi, and 18th with the Sigma Chi Foundation. In that time I've come to know most of the men who serve and give their time as volunteers, and thousands of other active brothers and donors across North America.

If anyone ever doubted Sigma Chi's future, let them see what I've seen: A brotherhood full of men who give their very best to help others grow, deliver transformational leaders, evolve Sigma Chi and the definition of Fraternity — and, as a result, make Sigma Chi better for the generations to come.

THROUGH THE PANDEMIC

This has been a challenging two years for us all, and out of unprecedented times come incredible examples of resilience and growth all across Sigma Chi and within your Foundation.

We optimized the size and assignment of our staff, reduced our expense profile and looked for emerging needs among our brothers. Internally, we improved internal governance practices, expanded our board and developed many new policies including the creation of an aggressive five-year development plan comprised of time tested strategies that are rooted in the very best advice we could get from outside

experts.

As such, we reached our highest all-time number in total revenue and have returned to pre-pandemic levels of support of our mission.

- We continue to deliver more significant value to our chapters and undergraduates than any other Greek-letter foundation by providing approximately \$3 in support for every \$1 an undergraduate brother pays in dues.
- The Sigma Chi Leadership Institute (SCLI), funded by decades of continuous donor support, began providing participants of our values-based leadership curriculum with certificates — a game-changing first in the Greek-letter world.
- We remain on track to further growth of program grants, academic scholarships and undergraduate chapter support over the next decade.
- We are also well on our way to being on par with the fiscal performance and efficiency of great universities, and we are setting the pace in our Greek-letter world.

LEADER IN THE GREEK-LETTER WORLD

Over the past 10 years, your Foundation has provided over \$32 million in support of Sigma Chi programs and academic scholarships — and this does not include the over \$18 million of support simultaneously provided for chapter-specific projects.

Our fiscal year scorecard (page 10) will further show that our performance metrics, such as the cost of raising a dollar and percentage of our gifts going directly to our mission, remain the industry standard.

Our Foundation beats the average of our Greek-letter peers in every category, we are materially better than the thresholds established by charity watchdog groups like Charity Navigator and the Better Business Bureau, and we are close to matching the performance

of great universities in terms of efficiency.

Furthermore, the great work of our Board of Governors and Foundation staff, along with your support, have maintained the Sigma Chi Foundation's place as the top Greek-letter fraternity foundation.

LOOKING AHEAD

We have implemented four strategies to build out the core of our five-year development plan and further impact Sigma Chi.

- Further build our business operations through the expansion of our regionalized gift officer team and employing the technology, research and data necessary to support world-class in-person outreach.
- Expand our planned giving program, which secured over \$3.3 million in expressed commitments during our 2020 to 2021 fiscal year, and further recognize and thank our brothers today for the legacy they'll leave when they join the chapter eternal.
- Supercharge our Life Loyal Sig annual giving program using new technology and communications pathways that are levered by excellent universities, further recognizing the efforts of brothers like you.
- Dramatically expand the opportunities for brothers

like you to engage and reengage in Sigma Chi and our Foundation. This includes programs like the 1855 Wine Club through In Hoc Napa Valley, our upcoming Sigma Chi Foundation and In Hoc Napa Valley Mediterranean cruise and events such as our Significant Sig celebration, golf outings, and regional alumni events.

In essence, we are all looking forward and working to make tomorrow's Sigma Chi even better. And I hope that you will continue to join us on our quest to build better men who are prepared to succeed in college and throughout their lives.

We're asking for your continued engagement, volunteerism, and financial support to make it all a reality.

I wish you and your family great health and happiness as we look to a bright future in front of us.

Thank you for your continued support. We are truly grateful.

FOUNDATION FISCAL SUMMARY

The Sigma Chi Foundation has built upon the investments it made during the previous fiscal year, including in the areas of expanding leadership programs, chapter support and scholarship efforts. Likewise, the Foundation has continued its support of Sigma Chi’s educational and membership development programs delivered by the Sigma Chi Leadership Institute.

The Foundation manages its internal operations and tracks progress on an accrual basis. An annual audited financial statement is developed under the review of the Foundation’s audit and compliance committee and

used in preparation of the Internal Revenue Service Form 990. Legacy Professionals, LLP, conducted the Foundation’s certified audit.

The Foundation’s IRS Form 990 may be found at guidestar.org through your state’s charitable licensing agency where we are registered or via sigmachicago.org.

The BBB developed its standards to assist donors in making sound giving decisions and to foster public confidence in charitable organizations. We are proud to be in substantial compliance with these standards. More information about BBB standards is available at bbb.org.

“First and foremost, I want to give my thanks to the generous donors that made this possible. This scholarship means so much to me, and it will assist me in my education in unimaginable ways. ... Sigma Chi’s values have changed me for the better, and it’s undeniable when looking at what I have done once I have joined. I attended KTLW, and I realized that I could develop my leadership skills if I took action. Sigma Chi has made me more vocal and a better leader to my brothers, colleagues, and the entire student body. Looking at how our founders lived their lives and how we tie each of the seven values to each one

motivates me to become better every day and stay true to myself. I am grateful every day that I can wake up and say that I’m a Sigma Chi, a man of high values and morals.”

LEADERSHIP PROGRAMS AND GRANTS

The Sigma Chi Foundation’s overarching goal is to positively impact every undergraduate brother every year with values-based leadership training and support.

Thanks to the support of the Foundation and its donors, which has funded the development of world-class leadership programming for our members over the last two decades, Sigma Chi took three huge steps forward last fiscal year.

In December 2020, the Sigma Chi Leadership Institute became the only Greek-affiliated learning service provider to achieve accreditation candidacy with recognition from the Middle States Association Commissions on Elementary and Secondary Schools (MSA-CES), an organization recognized by the United States Department of Education.

In February 2021, SCLI began rolling out pilot leadership certificate programs – programs implementing new and existing curriculum – that give undergraduate members an opportunity to earn stackable credentials for in-demand soft skills that

will compliment their undergraduate and graduate degrees, as well as work experience.

This allowed Sigma Chi to achieve another Greek-letter first with the launch of an over-arching development program that encompasses the entire bandwidth of leadership educational opportunities provided by SCLI and funded by the Foundation: **The Transformational Leader**.

THE TRANSFORMATIONAL LEADER

Formally announced during Grand Chapter in June, **The Transformational Leader** aims to equip Sigma Chis with the needed skills and competencies to transform their careers and chapters.

Available free to all brothers, the nine-certificate program (containing 12 leadership competencies) encompasses both online and in-person training, including the Horizons Huntsman Leadership Summit and Krach Transformational Leaders Workshop, utilizing certified Sigma Chi Facilitator Academy instructors.

THE TRANSFORMATIONAL LEADER

SELF

Foundational Leadership: Discovering Self

80 clock hours / hybrid

Incorporating the Preparation for Brotherhood new member education program, Ritual for Life and The Quest for Resilience,* students embark on a path of self-discovery to build the foundation to become leaders and gain leadership skills that will serve them both personally and professionally.

Authentic Leadership: Leading Self

20 clock hours / hybrid

Students learn how to apply their core values to everyday situations, actions and decisions.

Values-Based Leadership: Elevating Community

20 clock hours / hybrid

Incorporating the five modules from the award-winning Values-Based Decision Making program (True Brotherhood, Drinking Smart, Healthy Relationships, Developing Your Brand, Clear Mind), students practice making decisions that align with their personal values and ethics.

The Quest For Resilience (micro-certificate)*

10 clock hours / hybrid

Designed to help students become more resilient in their educational and personal lives by “bouncing forward” toward a healthier, stronger and better self.

OTHERS

Enduring Leadership: Compelling Action

80 clock hours / hybrid

Delivered via the Horizons Huntsman Leadership Summit, students gain an understanding of the role that individual values and social styles play in promoting effective collaboration and positive organizational change.

Servant Leadership: Empowering Others

20 clock hours / hybrid

Students learn a servant leader’s focus is on the growth and development of others through active listening, empathy, awareness and commitment.

Mission 365: Recruiting Character (micro-certificate)

10 clock hours / hybrid

Built upon the foundations of the Mission 365 program, students are provided with the practical suggestions and tools to elevate their recruitment efforts in their quest for the best on campus.

ACTION

Innovative Leadership: Inspiring Others

40 clock hours / hybrid

Students are invited to engage creative problem-solving skills that lead to 21st century imaginative solutions.

Adaptive Leadership: Facilitating Change

20 clock hours / hybrid

Students gain the knowledge and skills to champion organizational growth and communicate a compelling vision for the future, as they help others navigate dynamic environments to produce effective change.

COMMUNITY

Distance Leadership: Connecting Community

40 clock hours / hybrid

Students gain the knowledge and skills to navigate industries reliant on remote work and digital leadership across blended platforms.

Legacy Leadership: Sustaining Community

20 clock hours / hybrid

Designed to help students become legacy-focused leaders who displays sustained community involvement and continued investment to an organization, cause or community.

Courses (*see page 12*) include award-winning curriculum from existing programs such as the Preparation for Brotherhood new-member education module, Ritual for Life, Values-Based Decision Making and Mission 365 recruitment training, in addition to new courses that help participants learn to manage themselves, lead others and cultivate action within their communities.

Members will receive a Certificate of Completion and an electronic badge for each curriculum completed. And through SCLI's accreditation candidacy with MSA-CESS, completed coursework could potentially yield transferable credits to members at the discretion of their undergraduate institution.

For more information on The Transformational Leader, visit sigmachi.org/transformational-leader/.

OFFICER TRAINING ACADEMY

Following the success of 2020's virtual Krach Transformational Leaders Workshop, Sigma Chi leadership made the decision to incorporate the event's successful officer training curriculum into its own standalone virtual program offered twice annually.

Launched in February 2021, **Officer Training Academy (OTA)** is an interactive online course that will provide members with an opportunity to hone their leadership skills and gain the knowledge needed to be successful in their officer roles.

Participants complete a variety of self-driven online modules and are given an opportunity to interact with their officer peers through online discussion boards. Undergraduate officers then meet virtually with certified facilitators and fellow officer peers to discuss what they have learned and how to prepare for the year ahead.

KRACH TRANSFORMATIONAL LEADERS WORKSHOP (TLW)

After shifting to a virtual offering in 2020 due to the pandemic, **Krach TLW** returned to an in-person setting at Sigma Chi's birthplace, the University of Miami in Oxford, Ohio, in July 2021.

The new-look event attracted more than 700 brothers and served as a formal kickoff for The Transformational Leader program as undergraduate Sigma Chis were given the opportunity to earn certificates in Values-Based Leadership and Authentic Leadership, and micro-certificates in Recruitment (Mission 365) and Resilience.

The workshop is sponsored by a lead endowment gift from 64th Grand Consul Keith Krach, **PURDUE 1979**, who is the former chairman and CEO of DocuSign and Ariba and the current U.S. Under Secretary for Economic Growth, Energy and the Environment.

Attendees were treated to keynote presentations from Krach and Order of Constantine and Significant Sig Bill George, **GEORGIA TECH 1964**, who is the former chairman and CEO of Medtronic and author of *Discover Your True North*.

Additionally, members of the Sigma Chi Foundation's Thomas Cowan Bell Chapters were treated to a special presentation and speech from Significant Sig Andrew Peterson, **CLARKSON 2013**, a five-time Special Olympics gold medalist whose story has been featured on ESPN.

HORIZONS HUNTSMAN LEADERSHIP SUMMIT

One year after facing cancellation for the first time since its 1999 debut, due to the COVID-19 pandemic, the **Horizons Huntsman Leadership Summit** returned to an in-person format in 2021.

Funded in large part by the Huntsman Family Foundation, the in-person, six-day leadership program was, once again, held in Snowbird, Utah for members of United States chapters, while Canadian brothers were treated to a standalone week in Banff, Alberta due to pandemic border restrictions.

With the launch of The Transformational Leader program, 2021 program participants were the first to receive SCL's Enduring Leadership certificate after completing the 80 clock-hour immersive, experiential experience.

EXISTING PROGRAMS JOINS CERTIFICATE PLATFORM

Long-supported leadership programming, funded by generous Foundation donors, took on a new meaning starting in 2021 as a part of The Transformational Leader certificate platform presented by SCLI.

The **Preparation for Brotherhood (P4B)** new member education module, with a lead gift from Significant Sig David Pyle, **SOUTHERN CALIFORNIA 1980**, joined the Ritual education curriculum **Ritual for Life (R4L)** as part of the initial Foundational Leadership certificate offered to Sigma Chi undergrads upon pledgship.

Values-Based Decision Making (VBDM), a hybrid learning curriculum touching on the challenging issues within the Greek-letter community, and its five modules, funded through the lead support of Order of Constantine and Significant Sig Bob Georges, **FLORIDA SOUTHERN 1973**, became the key elements of the Values-Based Leadership certificate.

The **Mission 365** character-based recruitment program is now offered as a standalone micro-certificate with four additional enhancement modules.

ADDITIONAL GRANT SUPPORT

- Over \$600,000 provided to support Fraternity's chapter support program, which provides operational guidance and assistance to each of the Fraternity's undergraduate chapters
- Ninety-three (93) chapters were recognized with Peterson Significant Chapter Awards sponsored by the Foundation.
- The Tennessee Tech chapter received a \$5,000 educational grant for having the Fraternity's most outstanding scholastic achievement program
- The Foundation and Fraternity honored 120 brothers with the Significant Sig Award. Awarded annually since 1935, more than 1,800 alumni have received the award, which recognizes members who have achieved high levels of professional success.

WHAT THEY SAY:

The following feedback was submitted anonymously to SCLI during surveys that followed pilot leadership certificate programs in early 2021:

DISTANCE LEADERSHIP CERTIFICATE

- *"This course gave me many tools that I can use to better myself as a remote leader. Those tools encompass new software to communicate with my team to practices that I can use daily to improve my remote relationships."*
- *"Schools should be recommending and even mandating courses like Sigma Chi Distance Leadership, as courses like these are what actually apply in real life situations."*

AUTHENTIC LEADERSHIP CERTIFICATE

- *"The social styles course was very useful immediately, and so interesting that versatility is something that is never perfected and can slip back to inconsistent at any time."*
- *"I feel I have developed the ability to understand my life as a man, in addition to becoming more comfortable with being my own person."*

VALUES-BASED LEADERSHIP CERTIFICATE

- *"The discussions really helped. Facilitators did a great job of keeping the group engaged, and when that happens everyone gains something."*
- *"Information about healthy drinking was very useful. We as fraternity men have problems that come up with alcohol, and now I know how to handle the situations when it comes up."*

RECRUITMENT AND RESILIENCE

- *"We were able to open up and be vulnerable with our conversations, and what we experienced was very valuable."*

ACADEMIC SCHOLARSHIPS

Each year, generous donations from our alumni and friends make it possible for the Sigma Chi Foundation to grant academic scholarships and awards to our deserving undergraduate and graduate brothers and sweethearts.

Providing scholarships and academic awards furthers the Foundation's goal to promote academic excellence and volunteerism. We proudly award brothers who show outstanding leadership, academic motivation and commitment to their chapters and communities.

This year, thanks to the Donor-Scholar Initiative, as well as the Thomas Cowan Bell Chapter Challenge program, 316 individuals were recognized specifically by the Foundation with awards totaling \$522,000. Awards include undergraduate general academic scholarships, chapter sweetheart scholarships, military service awards and graduate scholarships in international business, engineering, medicine, general academic studies, media and law. Additional awards supported by the Foundation include the International Balfour Award, International Sweetheart, Daniel William Cooper and Legion of Honor recipients.

INTERNATIONAL BALFOUR AWARD

Sigma Chi's highest undergraduate honor, the International Balfour Award, is presented to the brother who best exemplifies Sigma Chi through his academic performance and demonstrated leadership. He is awarded \$10,000 from the Foundation, thanks to the support of Brandon Chaney, **INDIANA 1993**, who is proprietor and CEO of Fairwinds Estate Winery in California.

Jared Kuykendall, **OKLAHOMA STATE 2021**, is this year's recipient. Kuykendall graduated from Oklahoma State University in Stillwater, Oklahoma with a degree in business administration.

He served his chapter as Consul, Magister, recruitment chairman and risk manager, and served on subcommittees of the Fraternity's Diversity, Equity and Inclusion Committee at the international level.

PAYING IT FORWARD

HONOR SOCIETIES & ALUMNI ENGAGEMENT EVENTS

Thanks to the generous support of our alumni brothers and friends of Sigma Chi, the Sigma Chi Foundation is able to provide nearly \$10,000 in leadership program and academic scholarship support to every undergraduate chapter every year, which is beyond what other Greek-letter fraternities have accomplished.

Hand in hand with the Sigma Chi International Fraternity, the Foundation is working to do everything possible to help our young brothers deal with university life in the most positive way.

Giving Societies (*see page 24*) were established to honor members who donate at certain levels or in a certain way. Gift clubs honor lifetime giving as well as various levels of annual donations toward the Life Loyal Sig Annual Fund program, Thomas Cowan Bell Chapter Challenge, planned giving, various program funds, Donor-Scholar Awards or Foundation-operated scholarship funds, naming opportunities or historical initiatives.

DISTINGUISHED VISITORS PROGRAM

The Foundation's Distinguished Visitors program has, since its inception in the 1980s, provided alumni with an opportunity to reconnect with their Sigma Chi roots and impact undergraduate brothers. Last summer, these distinguished alumni participated in visits to the Horizons Huntsman Leadership Summit in Snowbird, Utah, and the Krach Transformational Leaders Workshop in Bowling Green, Ohio. These men, who are among Sigma Chi's most accomplished brothers, are encouraged to share their wisdom and perspective on leadership, character and values with undergraduate brothers during their visits.

REGIONAL ALUMNI RECEPTIONS

In 2021, the Sigma Chi Foundation Board of Governors and staff made a targeted effort to reconnect with alumni in U.S. metropolitan areas with special reception events. Hosted by Foundation board members and donors, these events provided an opportunity to deliver updates from the General Fraternity and to share Sigma Chi's forward direction. For more information on these virtual events or to receive a reminder when the Foundation visits your area in the future, email the Foundation at foundation@sigmachicago.org.

ALUMNI GOLF OUTINGS

In 2021, the Sigma Chi Foundation held the inaugural Sigma Chi Open during Grand Chapter in Scottsdale, Arizona with proceeds benefiting the new Grand Canyon Provincial Scholarship Fund. In 2022, the Foundation will host two golf events at premiere courses and resorts in the United States, allowing brothers to reconnect and make a difference. Information on these events will be announced January 2022.

1855 WINE CLUB

In 2020, the Sigma Chi Foundation partnered with the International Fraternity and Fairwinds Estate Winery to launch In Hoc Napa Valley and the 1855 Wine Club to benefit academic scholarships. Visit inhocvino.com to learn more.

WAYS TO GIVE BACK

LIFE LOYAL SIG ANNUAL GIVING

Whether it's world-class leadership curriculum through the Sigma Chi Leadership Institute, academic scholarships or operational funding, one-time or recurring monthly or annual gifts to the revamped Life Loyal Sig annual giving program support every facet of the Foundation's mission.

DONOR-SCHOLAR AWARDS

The Foundation's Donor-Scholar Awards provide a naming opportunity to interested alumni who wish to directly support the Foundation's expanding scholarship program. Donors contributing to this effort at an endowment level (a one-time gift of \$25,000) will have an annual academic scholarship named for them or an honoree for a minimum of 30 years.

SCLI PROGRAM SPONSORSHIP

By providing our members with world-class leadership curriculum, Sigma Chi is developing young men into character-based leaders who are committed to the betterment of their chapters, campus and community. These gifts support major initiatives, such as Horizons, Krach TLW, or one of the Transformational Leader program's certificate programs.

HISTORICAL INITIATIVE

Founded in 2005 by 20th Grand Historian Eric Hansen, **CINCINNATI 1989**, and members of the Fraternity's Historical Commission with a grant from the Foundation, the Historical Initiative oversees the care and preservation of the Fraternity's historical collection and historic facilities.

CRYPTOCURRENCY GIFTS

Support the mission and goals of the Sigma Chi Foundation with a gift of Bitcoin or other forms of Crypto with The Giving Block. Donating crypto directly to the Foundation is tax efficient and can save you money. Visit thegivingblock.com/donate/sigma-chi-foundation/ to learn more.

LEAVE A LEGACY

PLANNED GIVING

A planned gift to the Sigma Chi Foundation enables a brother to define his legacy and directly impact the lives of future Sigma Chis and our Fraternity.

GIFTS BY BEQUEST

A bequest to the Foundation can be made for a specific amount, a percentage of your estate, or all or a portion of what is left after you have provided for your family. With a bequest, you retain control of and use of your assets during your lifetime and can potentially save on income taxes, capital gains and estate taxes.

LIFE INSURANCE GIFTS

Life insurance policies are powerful philanthropic tools that often allow a donor to make a much larger donation than they ever thought possible. Donors can name Sigma Chi Foundation the beneficiary or transfer ownership to the Foundation and then make tax-deductible gifts to pay the premiums. The Foundation receives the proceeds of the policy after your lifetime.

LIFE INCOME GIFTS

Your gift can be structured to provide you income for life. The Foundation will make a fixed payment to you for life with the remainder benefiting the Fraternity. Such arrangements are particularly appealing because donors often can reduce taxes and increase their spendable income. You benefit now, and Sigma Chi benefits later.

GIFTS OF RETIREMENT ASSETS

Designating the Foundation as a beneficiary of all or a specified percentage of your 401(k) or other retirement plan assets can save your estate both income and estate taxes. Additionally, if you are age 70 1/2 or older, you can roll over up to \$100,000 a year from your IRA as a charitable gift and count it toward your required minimum distribution.

DIRECTLY IMPACT YOUR CHAPTER

THOMAS COWAN BELL CHAPTER CHALLENGE

Our Fraternity made a difference in the lives of over 267,000 living brothers, and these men want to give back. More importantly, they want to give back to their own chapter.

The Bell Chapter Challenge allows alumni brothers to support their home chapter, or a chapter of their choosing, with enhanced leadership and scholarship benefits.

2020 & 2021 Founders Circle Honorees

GIVING SOCIETIES

Thanks to the generous support of our alumni brothers and friends of Sigma Chi, the Sigma Chi Foundation is able to provide nearly \$10,000 in leadership program and academic scholarship support to every undergraduate chapter every year — this is far beyond what any other Greek fraternity has been able to accomplish.

The Sigma Chi Foundation established giving societies to honor members that donate at certain levels or in a certain way. Gift clubs honor lifetime giving as well as various levels of the Life Loyal Sig Annual Fund, Thomas Cowan Bell Chapter Challenge, Donor-Scholar or Foundation-operated scholarship fund, leadership program fund, naming opportunity or Historical Initiative.

SIGMA CHI FOUNDERS CIRCLE

Recognizing brothers who have given back to the Fraternity throughout their lives while leaving a legacy for Sigma Chi's future. In honor of Sigma Chi's seven Founders, this group of men have achieved three significant milestones within Sigma Chi through volunteerism and monetary contributions: Induction into the Order of Constantine, entry into the William Lewis Lockwood Society and membership in the James Parks Caldwell Society.

DONOR RECOGNITION POLICY
As of July 2007, the Foundation recognizes in its giving societies and annual report donors who contribute to the unrestricted annual fund, the Bell Chapter Challenge, a program fund, a Donor-Scholar Awards initiative, Foundation-operated scholarship fund, naming opportunities or Historical Initiative. Contributions to chapter scholarship funds are recognized by individual chapters. Irrevocable planned gifts are recognized based on the face value of the gift. They are booked on the Foundation's financial statement based on generally accepted accounting principles.

JAMES PARKS CALDWELL SOCIETY

Recognizing those who have named the

Sigma Chi Foundation as a beneficiary of a planned gift, which includes a will, trust, retirement plan, life insurance policy or life income gift.

"Scholarships are the only way I've survived since my mom passed and making it this far has been a testament to the impact they have had on my personal and professional success. This scholarship means that I feel a deeper sense of support from Sigma Chi, an organization that has made my undergraduate (journey) feel more like home than I ever thought it could. The alignment of Sigma Chi values with who I aspire to be made a commitment to the brotherhood a natural choice because of the values it reinforces throughout our undergraduate years and beyond.

"For the continued support in who I am and the belief in who I have the potential to be, I want to thank the generous donor of this scholarship, the late Dr. Robert L.D. Davidson – I hope you know how impactful your generosity is, and the hope and sense of brotherhood I felt when I was alerted of this incredible gift."

*Jacob Williams, **CALIFORNIA-BERKELEY 2024**, lost his only parent to cancer while in high school. He rose above the odds after entering foster care and became a national scholar representing the United States in the Balkans. He's now a member of the Alpha Beta chapter pursuing a double major in Molecular and Cell Biology & Business Administration.*

You can support brothers like Jacob with a gift to the Sigma Chi Foundation. For more information visit sigmachi.org/foundation
