

Sigma Chi Alumni Groups:

The General Fraternity recognizes three types of alumni groups in Sigma Chi.

Alumni Club:

The first level is the alumni club, which is an interest group that serves as a steppingstone for the next two levels if so desired. Alumni Clubs are not required to pay dues, must be comprised of seven members, meet twice a year, and must complete an annual report and submit a declaration of intent to the Executive Committee along with the required founding documents* and a letter of endorsement from the Grand Praetor in the group's province.

Alumni Association:

The level is the alumni association, which is the steppingstone to becoming an alumni chapter. Alumni groups must be active alumni associations in good standing meeting all the alumni chapter requirements for at least one year before they can petition to become an alumni chapter. They are required to pay the annual \$250 dues, must be comprised of at least 10 members, meet six times each year, complete an annual report, and submit a petition to the Executive Committee along with the required founding documents* and a letter of endorsement from the Grand Praetor in the group's province.

Alumni Chapter:

To be recognized as an alumni chapter, a group must meet all the requirements of the alumni association and may petition for recognition after one year of active status as an alumni association. Upon Executive Committee approval, Alumni Chapter gain the privilege of having a voting delegate at Grand Chapter.

***Founding documents required for all alumni groups:**

- A letter of intent from the group's leadership
- A letter of endorsement from the Grand Praetor
- Bylaws
- Member roster
- Calendar of group meetings and events
