FOLDS *of* HONOR

Following his second tour of duty in Iraq, Significant Sig Lt. Col. Dan Rooney, **KANSAS 1995**, (pictured) made it his mission to provide scholarships and educational support to the spouses and children of America's fallen and wounded military service members.

Since 2007, **Folds of Honor** has grown from a vision into a movement awarding 29,000 life-changing educational scholarships totaling over \$145 million.

Through events such as Patriot Golf Days, corporate and retail sponsorships and partnerships, Folds of Honor has been able to extend its impact on campuses across the United States — including each of those with an active Sigma Chi chapter.

INTRODUCING

SIGMA CHI / FOLDS OF HONOR SCHOLARSHIP FUND

THE PARTNERSHIP

In 2021, the Sigma Chi Foundation, noting the rising need for educational support among the families of Gold Star and wounded military service members, joined with Folds of Honor to provide educational support to students who meet Folds of Honor criteria on campuses with an active Sigma Chi undergraduate chapter.

UNIQUE OPPORTUNITY

The Sigma Chi Foundation (SCF), on average, has provided more than \$4 million annually in grants, program funding and academic scholarships to Sigma Chi entities and its undergraduate members since 2014.

For the first time in SCF history, this partnership will impact individuals unaffiliated with our Fraternity on campuses where Sigma Chi operates.

Much like undergraduate chapters' fundraising efforts for charitable causes of their choice, the Sigma Chi Foundation's partnership with Folds of Honor allows Sigma Chi alumni to further honor the 918 brothers that paid the ultimate sacrifice since Sigma Chi's founding, including five brothers killed in action during the recent conflicts in Iraq and Afghanistan, and provide an additional charitable outlet on behalf of our current chapters with educational support for individuals whose own family member sacrificed themselves for our nation.
