

DID YOU KNOW?

Only 11 percent of Sigma Chi's 3,000+ alumni volunteers further their support of Sigma Chi's leadership and scholarship initiatives through annual contributions to the Sigma Chi Foundation.

Becoming an 1855 Society member is an additional way to show your support for the many initiatives funded by the Foundation.

"I joined the Sigma Chi Foundation Board of Governors because I believe in the work of the Foundation and have seen first-hand its support make a real difference. And, as a longtime volunteer, we know the time, dedication and service that many of our alumni make to ensuring the success of our organization. The 1855 Society was conceived as a way to honor those brothers who contribute their time and talents to any facet of our Fraternity's work at a local or international level, yet offer their treasure to support the many needs funded by the Foundation such as scholarship aid, chapter support and the leadership continuum."

ABOUT THE FOUNDATION

The Sigma Chi Foundation, founded in 1939, is a charitable and educational tax-exempt organization, separate and independent from the Sigma Chi Fraternity, whose express purpose is to secure financial resources and provide faithful stewardship in support of Sigma Chi.

Through Sigma Chi's Transformational Leader platform and its legacy programs, such as the Krach Transformational Leaders Workshop and the Horizons Huntsman Leadership Summit, along with more than 300 annual academic scholarships for undergraduate and graduate brothers, the Sigma Chi Foundation is helping build value-centered leaders to guide us in the 21st century.

DID YOU KNOW?

Thanks to the support of Sigma Chi alumni donors, the Foundation provides more than **\$4 MILLION** each year, on average, to support leadership initiatives and grants.

IN HONOR OF THOSE WHO GIVE BACK IN EVERY WAY

Whether it's the direct impact of undergraduate chapters through advisory or praetoria roles, serving housing corporations or alumni chapters, or even as a program facilitator or committee volunteer, the efforts of alumni volunteers have long ensured Sigma Chi's position as the preeminent Greek-letter men's organization in the world.

And while every volunteer role is important in ensuring Sigma Chi's success, the leadership educational opportunities, academic scholarship and chapter support efforts afforded young brothers would not be possible without the crucial funding provided by our alumni donors.

Beginning with the 2022 to 2023 fiscal year, the Sigma Chi Foundation is proud to honor each of those brothers who contribute their time, talent and treasure in support of the Fraternity at a high level through the 1855 Society, a new recognition club engineered by a committee of longtime alumni volunteers and current members of the Foundation Board of Governors who believe in the Foundation's mission and recognize the important work of those men who devote significant resources to ensure the future of Sigma Chi for the brothers of today and the future.
