"I want to (say) how incredibly grateful I am for this opportunity and being considered for this scholarship. My life has never been easy. I grew up in a single parent household whilst juggling academics, multiple jobs and athletics. However, I've been able to combat such an upbringing and I'm now a successful business student at Texas Tech, I have taken on the Recruitment Chair position for my chapter and I've just completed my first internship towards advancing my career. Thanks to the values outlined within The Jordan Standard, I've been able to grow as a man and continue to better myself everyday. That said, with the help of Sigma Chi and scholarships like these, I can continue to grow without the stresses of financial obligations clouding my head. For that I am forever grateful. Thank you again, generous donors of Sigma Chi. In Hoc!"

Dion Milton
TEXAS TECH 2025

2022 Epsilon Nu Bell Chapter Scholar

2022 ANNUAL REPORT

CHAIRMAN'S LETTER

June 30, 2022 marked the completion of the first year of our ambitious Five-Year Plan to double the amount of funds available to underwrite academic scholarships and Fraternity programming, in addition to raising \$20 million in planned giving, all by the year 2026. I am pleased to report that we are off to a very solid start.

We met each of our objectives for this important first year of the plan, including the establishment of an organizational record for the funding of academic scholarships, the continued grant support of our Fraternity and the world-class leadership programming provided by the Sigma Chi Leadership Institute. We also recorded a record \$4.1 million in planned giving commitments.

Our work has just begun. We have the opportunity to make an even more impactful and lasting contribution. To illustrate, we have approximately 13,900 undergraduate brothers, a number that far exceeds the student bodies of most elite universities. The programs and activities of Sigma Chi therefore increasingly reach and influence a very large number of young people each year.

As we look forward to what may prove to be a more challenging 2023, the critical funding provided by the Foundation in support of our undergraduate and graduate brothers would not be possible without the generosity and advocacy of our selfless alumni. Thanks to you, we are able to provide more financial support for the Fraternity and our young brothers on an annual basis than any other Greek-letter organization.

Our Sigma Chi brothers can and already do have an amazing impact on our society. Our duty at the Foundation is to raise the resources that will enable these exceptional young men to accelerate and expand their intellectual development and increase

their commitment to the world in which they live. Working closely with the Fraternity, we will build this bridge for future generations.

Thank you again for your continuing generosity. Your financial support is truly making an important difference in the lives of thousands of young men. I invite you to look inside this Annual Report to learn more about their personal stories. The faces you will see and the voices you will hear bear testimony to the strength and value of the Sigma Chi experience.

For the good,

A handwritten signature in black ink, appearing to read 'Jeff Gill', written over a simple line drawing of a triangle.

Significant Sig Jeff Gill, **SOUTHERN CALIFORNIA 1978**
Chairman, Sigma Chi Foundation Board of Governors

Gill, who joined the Foundation board in 2015, is Chairman, President and CEO of Sypris Solutions, a manufacturing and engineering services company serving the defense, transportation, communications and energy industries. Jeff has served on public, private, civic, university and educational boards. He holds degrees from the University of Southern California and Dartmouth College.

PRESIDENT & CEO REPORT

Every winter, our Annual Report is an opportunity to brief you on our progress from the prior fiscal year and look at where we are headed.

This year, however, we can't reflect upon the great work being done in our organization without acknowledging the unfortunate news that we received in October and November with the tragic losses within our University of Mississippi and University of Idaho chapters.

Our strong arms, thoughts and prayers go out to the families, loved ones and chapters of the two young brothers and the young women who were victims of the senseless crimes in Oxford and Moscow.

It's been our honor to establish memorial scholarship funds in their memory (see back cover). And it is our hope that these awards forever shine a bright light on the impact these young men made upon their chapters and communities.

All honor to their names.

GROWTH AND OPTIMISM

Across the board, last year brought tremendous growth and optimism to Sigma Chi and your Sigma Chi Foundation.

As our chairman, Significant Sig Jeff Gill, **SOUTHERN CALIFORNIA 1978**, noted, we were able to meet growing funding commitments in scholarships and leadership programming and expand the reach of our training efforts across Sigma Chi through the Sigma Chi Leadership Institute (SCLI) and the Transformational Leader program.

Last year saw more than 900 brothers earn certificates in the new online and in-person leadership programs offered to our members. And, this fall, thanks to your support last fiscal year and beyond, we were able to issue a record number of academic awards to brothers from chapters across North America.

Furthermore, we continued to invest in our chapters through the grant support of the Fraternity's Regional Chapter Support

Coordinators who actively reach each of our chapters on the ground each semester.

Internally, the 2021 to 2022 fiscal year marked the first year of an aggressive five-year development plan to further impact Sigma Chi.

This included expansion of our regionalized gift officer team and employing the technology, research and data necessary to support world-class in person outreach.

We also expanded planned giving and Life Loyal Sigma annual giving programs and began efforts to further recognize and honor brothers and friends for their contributions today and the legacy they'll leave when they join the chapter eternal.

Thanks to the work of our Foundation Board of Governors Volunteer Engagement Committee, led by 69th Grand Consul Michael Ursillo, **BROWN 1978**, one of those efforts was the creation and launch of the 1855 Society – a new giving society that will honor those brothers who impact Sigma Chi as volunteers at the local, regional or national level while financially supporting the organization through the Foundation.

Additional Highlights:

- Last fall, we joined our neighbors at the Sigma Alpha Epsilon Foundation in creating the Interfraternal Giving Tuesday Challenge. This event, which was joined by the Pi Kappa Alpha Foundation in November, became the first-ever competitive fundraising effort between Greek-letter rivals benefiting our respective annual giving programs.
- We held regional alumni events across the United States, including collaborative efforts with alumni

chapters and our partners such as In Hoc Napa Valley, to recognize the contributions of our donors as well as engage brothers with the great work Sigma Chi is doing on our campuses nationwide.

LEADER IN THE GREEK-LETTER WORLD

Over the past 10 years, your Foundation has provided over \$37 million in support of Sigma Chi programs and academic scholarships – and this does not include the over \$19 million of support simultaneously provided for chapter-specific projects.

We continue to outpace our Greek-letter colleagues providing more support, on average, than any Fraternity or Sorority over the same time period.

Our fiscal year scorecard (below and page 8) will further show that our performance metrics, such as the cost of raising a dollar and percentage of our gifts going directly to our mission, exceeds the industry standard besting thresholds established by charity watchdog groups like Charity Navigator and the Better Business Bureau, and we are close to matching the performance of great universities in terms of efficiency.

Furthermore, the great work of our Board of Governors and Foundation staff, along with your support, have maintained the Sigma Chi Foundation's place as the top Greek-letter fraternity foundation.

LOOKING AHEAD

Twenty-ninth Grand Consul Lloyd G. Balfour, **INDIANA 1905**, once said: "(Sigma Chi) must not only seek to be of direct aid to the American system of higher education, but we must be a part and parcel of that system. ... The challenge is to expand the work of the Fraternity into a broad educational sphere."

That comment was made in the July-August 1943 edition of *The Magazine of Sigma Chi* and fast-forward 79 years. Sigma Chi, thanks to your support, is providing more educational opportunities and academic scholarships for our members than any of our Greek-letter rivals.

But we can, should and will do more. Over the next year, more members will have the opportunity to receive SCLI's world-class transformational leadership curriculum at no-cost. And rising educational and living costs are creating a greater need for scholarship support amongst our undergraduate and graduate brothers across North America.

Simply put, your continued support, volunteerism and engagement is as important as ever before. I hope that you will continue to join us on our quest to build better men who are prepared to succeed in college and throughout their lives.

I wish you and your family great health and happiness as we look to the bright future in front of us.

Thank you. We are truly grateful.

Ashley Woods, **EAST TENNESSEE 2000**
President & CEO, Sigma Chi Foundation

Woods has been president and CEO of the Sigma Chi Foundation since 2016. He was previously the chief operating officer of and general legal counsel for the Foundation and has served Sigma Chi since 2000.

FOUNDATION FISCAL SUMMARY

The Sigma Chi Foundation has built upon the investments it made during the previous fiscal year, including in the areas of expanding leadership programs, chapter support and scholarship efforts. Likewise, the Foundation has continued its support of Sigma Chi’s educational and membership development programs delivered by the Sigma Chi Leadership Institute.

The Foundation manages its internal operations and tracks progress on an accrual basis. An annual audited financial statement is developed under the review of the Foundation’s audit and compliance committee and

used in preparation of the Internal Revenue Service Form 990. Legacy Professionals, LLP, conducted the Foundation’s certified audit.

The Foundation’s IRS Form 990 may be found at guidestar.org through your state’s charitable licensing agency where we are registered or via sigmachi.org.

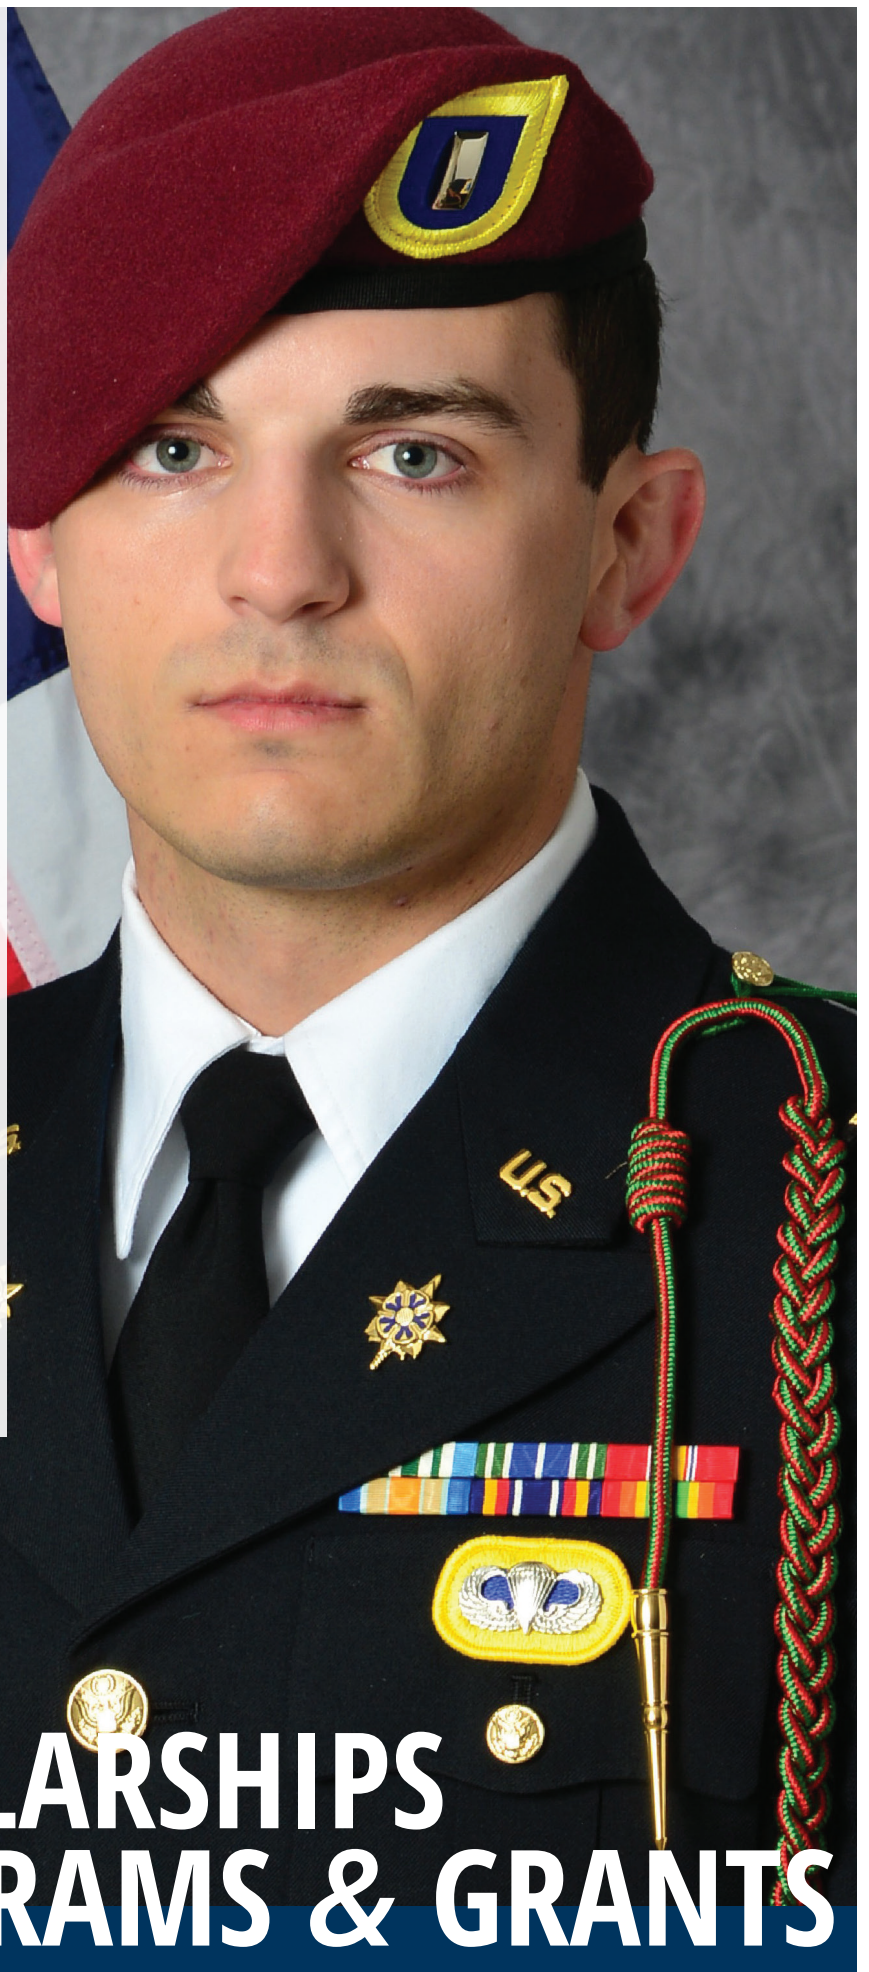

The BBB developed its standards to assist donors in making sound giving decisions and to foster public confidence in charitable organizations. We are proud to be in substantial compliance with these standards. More information about BBB standards is available at bbb.org.

"I want to sincerely thank all of the donors who make the Sigma Chi Foundation's scholarship programs possible. Without their generous contributions, there is no realistic way that I would have been able to continue pursuing my education while simultaneously serving in the active duty military. Sigma Chi's values molded me during my undergraduate years and continue to serve me well today. Whether under the canopy of a parachute somewhere in North Carolina or conducting combat operations across the Middle East, I have relied on Sigma Chi's values every single day of my career. Being able to pursue my education through the generosity of the Foundation's donors has helped me not only further my career, but further the interests of the United States. I have been able to apply my education in tribal meetings in Afghanistan and in Embassy meetings in Mongolia. The level of support provided by Sigma Chi, the Foundation, and our donors is truly unparalleled."

Capt. Taylor (Jeff) Lockwood
SOUTH FLORIDA 2014

2022 Sigma Chi Military Service Scholar

SCHOLARSHIPS PROGRAMS & GRANTS

Matias Morita, **CINCINNATI 2024**
Bell Chapter Scholarship Recipient

ACADEMIC SCHOLARSHIPS

Each year, generous donations from our alumni and friends make it possible for the Sigma Chi Foundation to grant academic scholarships and awards to our deserving undergraduate and graduate brothers and sweethearts.

Providing scholarships and academic awards furthers the Foundation's goal to promote academic excellence and volunteerism. We proudly award brothers who show outstanding leadership, academic motivation and commitment to their chapters and communities.

This year, thanks to the Donor-Scholar Initiative, as well as the Thomas Cowan Bell Chapter Challenge program, **380** individuals were recognized specifically by the Foundation with awards totaling **\$611,000**. Awards include undergraduate general academic scholarships, chapter sweetheart scholarships, military service awards and graduate scholarships in international business, engineering, medicine, general academic studies, media and law. Additional awards supported by the Foundation include the International Balfour Award, International Sweetheart, Daniel William Cooper and Legion of Honor recipients.

INTERNATIONAL BALFOUR AWARD

Sigma Chi's highest undergraduate honor, the International Balfour Award, is presented to the brother who best exemplifies Sigma Chi through his academic performance and demonstrated leadership. He is awarded \$10,000 from the Foundation, thanks to the support of Brandon Chaney, **INDIANA 1993**, who is proprietor and CEO of Fairwinds Estate Winery in California.

Grant Franko, **R.I.T. 2022**, is this year's recipient. A graduate with a degree in business administration, Franko held many leadership roles on campus and served his chapter as Consul and Quaestor. He joins the previous year's honoree as a member of the Fraternity's Executive Committee.

Scholarships were also awarded to IBA runners-up Louis Langan, **LOUISVILLE 2022**, and Jack Palla, **OKLAHOMA STATE 2022..**

FOUNDERS SCHOLARSHIPS

Since 2014, the Sigma Chi Founders Scholarships have been awarded annually to the top seven undergraduate applicants in academic performance and demonstrated leadership. Each recipient receives a \$10,000 award.

JOHN & CHRISTINE FORST AWARD

**Christopher Gonzalez,
PENNSYLVANIA 2023**

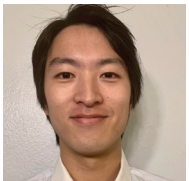

A major in finance and management at the University of Pennsylvania's prestigious Wharton School, Gonzalez holds a 3.62 GPA. He has served the Phi Phi chapter as Quaestor and given back to the Penn community as a Wharton Undergraduate Cohort director while holding internships in both New York and San Francisco.

JOE & JUDY DURZO AWARD

**Luke Schwetschenau,
BOSTON 2022**

A major in investigative and medical sciences on a pre-medicine track, Schwetschenau carries a perfect 4.0 GPA. He has led his chapter as Consul and served as Recruitment Chair, and is a member of the school's Honors Program.

GREG & CAROL HARBAUGH AWARD

**Kazuma Hirota,
TEXAS-AUSTIN 2023**

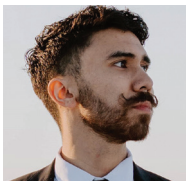

A major in mechanical engineering, Hirota entered his senior year with a 3.99 GPA. A native of Japan, he has served his chapter as Historian while holding active roles on campus within engineering honor societies along with volunteer efforts as a mentor and research assistant.

JOHN & NANCY PETERSON AWARD

Eric Szczepkowski, CLARKSON 2024

A major in engineering and management, Szczepkowski has a 3.95 GPA at Clarkson. He's held the roles of IFC Representative, Scholarship Chair and Assistant Magister and has received the school's Presidential Scholar Award on three occasions.

BOB & SABRINA JOHNSON AWARD

**Antonio Ortiz-Ulbarri,
NEW MEXICO STATE 2023**

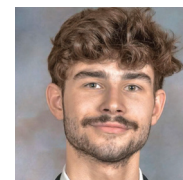

A major in agricultural business and economics, Ortiz-Ulbarri held a 3.42 GPA entering his senior year. He has served his chapter as Pro Consul and Quaestor while holding campus leadership roles as student body vice president and President of the Student Senate. He has helped oversee large-scale community service events on campus.

JOHN THUMEL MEMORIAL AWARD

**Porter Windell,
MONTANA STATE 2024**

A major in architecture he is the second undergraduate to receive multiple Founders' scholarship awards. He has self-financed his education from the age of 14 and is actively involved in community service.

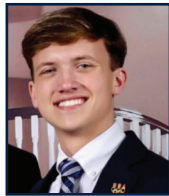

CHUCK & KIM WATSON AWARD

Cooper Yancey, LOUISVILLE 2024

A major in economics, Yancey holds a 3.73 GPA as a junior at Louisville. He has held multiple roles within his chapter and campus, and placed on the Dean's List each semester all while self-funding his studies.

"This past year was not the best for my family and I financially and it was affecting my education. Whether that be with school supplies, transportation to classes, books, etc., finding financial support in these areas was hard. (This scholarship) will relieve a lot of the financial stress and worries and will allow me to be more focused on my studies. I'm very thankful for this and for the Sigma Chi Fraternity. This organization has given me brothers that I will have for the rest of my life and has shaped me into a better man."

Zay Williams, **SOUTHEAST MISSOURI 2025**
William H. Walters Memorial Academic Scholarship Recipient

MILITARY SERVICE SCHOLARSHIP

The **Sigma Chi Military Service Scholarship** was established to provide support to our brothers who intend to continue their undergraduate or graduate education during or following military service. This award is made possible through donations from Significant Sigs Tim Michael, **OHIO STATE 1970**, John Berylson, **BROWN 1975**, and Dr. Dan Walsh, **SOUTHEAST MISSOURI 1971**, among others, and is available to brothers who are currently serving or have served in any branch of their country's military. Brothers pictured received \$3,500 awards towards their education.

Sgt. Beau Andrea,
SOUTH FLORIDA 2022

A major in information science, Andrea holds a 3.55 GPA. He was honorably discharged as Sergeant within the

United States Army, which he served for more than five years including a nine-month tour of duty in Iraq. He worked with military dogs to conduct various explosive missions for the United States Secret Service and the Department of State, serving the President and Vice President of the United States and other principles.

SFC Anthony Lee,
SOUTHEAST MISSOURI 2011

A 2011 Criminal Justice graduate at Southeast Missouri State and Master of Public Administration graduate

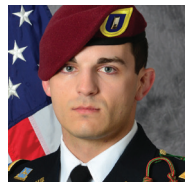

at Liberty University, Lee is presently pursuing a master of National Security Policy at Duke University's Sanford School of Public Administration. The 10-plus year veteran has served within three combat zones and is actively serving the United States Army as a Special Forces Non-Commissioned Officer (Operations Sergeant for the 3rd Battalion).

Sgt. Mark Eagleton,
OKLAHOMA 2023

A major in accounting, Eagleton holds a 3.58 GPA at the University of Oklahoma. Prior to attending college,

he was honorably discharged as Sergeant within the United States Marine Corps, with whom he served for four years including two tours of duty across the Middle East and Asia. He serves his chapter as a member of its executive team and has earned academic honors.

Capt. Taylor (Jeff) Lockwood,
SOUTH FLORIDA 2014

A graduate of both South Florida and Liberty University, he is presently attending Harvard University where

he is pursuing a Master of Arts in International Relations to further help contribute towards solutions on the international stage. In his eighth year of active-duty service with the United States Army, with six deployments during his career, he has led troops in combat in two war zones as well as complex operating environments within Asia.

Sgt. Benjamin Hanks,
WILLAMETTE 2018

A 2018 Psychology graduate at Willamette and Master of Arts graduate at George Fox University

in Newberg, Oregon, Hanks is presently attaining his Doctorate in Psychology with a long term goal to work to improve mental health treatment among veterans. Hanks was honorably discharged as a Sergeant within the United States Army.

LEADERSHIP PROGRAMS AND GRANTS

Among the Sigma Chi Foundation’s overarching goals is ensuring that every undergraduate brother every year is positively impacted by values-based leadership training and support.

Thanks to the support of the Foundation, and the generosity of our donors, which has funded the development of world-class leadership programming for our members over the last two decades, Sigma Chi continued to set the standard within the Greek-letter world largely thanks to the work of the Sigma Chi Leadership Institute (SCLI).

The 2021 to 2022 fiscal year marked the second year of SCLI’s leadership certificate programs – programs implementing new and existing curriculum that give undergraduate members an opportunity to earn stackable credentials for in-demand soft skills that will compliment their undergraduate and graduate degrees, as well as work experience.

June marked the one year anniversary of **The Transformational Leader**, an over-arching development program that encompasses the entire bandwidth of leadership educational opportunities

provided by SCLI and funded by the Foundation.

More than **980** undergraduate brothers earned leadership certificates or micro-certificates last fiscal year, and, as of October, Sigma Chi was well on track to surpass that number in the first half of this academic year alone!

THE TRANSFORMATIONAL LEADER

The Transformational Leader equips Sigma Chis with the needed skills and competencies to transform their careers and chapters.

Available free to all brothers, the program encompasses both online and in-person training, including the Horizons Huntsman Leadership Summit and Krach Transformational Leaders Workshop, utilizing certified Sigma Chi Facilitator Academy instructors.

Courses include award-winning curriculum from existing programs such as the Preparation for Brotherhood new-member education module, Ritual for Life, Values-Based Decision Making and Mission 365 recruitment training, in addition to new courses that help participants learn to manage themselves,

lead others and cultivate action within their communities.

For more information on The Transformational Leader and updates on the Sigma Chi Leadership Institute, visit sigmachio.org.

OFFICER TRAINING ACADEMY

Following the success of 2020's virtual Krach Transformational Leaders Workshop, Sigma Chi leadership made the decision to incorporate the event's successful officer training curriculum into its own standalone virtual program offered twice annually.

Launched in February 2021, **Officer Training Academy (OTA)** is an interactive online course that will provide members with an opportunity to hone their leadership skills and gain the knowledge needed to be successful in their officer roles.

Participants complete a variety of self-driven online modules and are given an opportunity to interact with their officer peers through online discussion boards. Undergraduate officers then meet virtually with certified Sigma Chi Facilitator Academy faculty members and fellow officer peers to discuss what they have learned and how to prepare for the year ahead.

KRACH TRANSFORMATIONAL LEADERS WORKSHOP (TLW)

August 2022 marked the 75th anniversary of Sigma Chi's premiere four-day leadership immersion event, **Krach Transformational Leaders Workshop**.

The event, held at Bowling Green State University in Bowling Green, Ohio, focused on the personal and professional development of Sigma Chi undergrads, developing them into Transformational Leaders for their chapters and campuses.

Sponsored by a lead endowment gift from 64th Grand Consul Keith Krach, **PURDUE 1979**, the event offered education to prepare participants for evolving

PAGE 24 — Undergraduate participants from the 2022 Krach Transformational Leaders Workshop hold up the Sigma Chi flag at Bowling Green State University. **ABOVE** — Undergraduate participants engaged with Sigma Chi alumni during the Foundation's inaugural Distinguished Visitors Leadership Panel which debuted at Krach TLW in August.

chapter and campus cultures, the importance of values-based accountability, and a recommitment to the principles of foundational leadership.

Brothers were given the opportunity to participate in one of three leadership certificate tracks (Servant Leadership, Authentic Leadership and Values-Based Leadership) led by certified Sigma Chi Facilitator Academy faculty members.

Attendees were treated to keynote presentations from Krach and Marriott International CEO Tony Capuano, **CORNELL 1987**, and had an opportunity to engage in a panel discussion with the Sigma Chi Foundation's 2022 Distinguished Visitors.

Additionally, members of the Sigma Chi Foundation's Thomas Cowan Bell Chapters were treated to a special presentation and speech from Significant Sig William McGinley, **CALIFORNIA-LOS ANGELES 1991**, former Assistant to the President

HORIZONS HUNTSMAN LEADERSHIP SUMMIT

Funded in large part by the Huntsman Family Foundation, the transformative six-day **Horizons Huntsman Leadership Summit** was once again held in Snowbird, Utah.

The 200 undergraduate participants, representing chapters from across the United States and Canada, begin their experiences through a series of reflective and thought-provoking questions in the application process, continue learning through pre-session readings, and then immerse themselves in whole-brain learning experience that engages their minds and bodies onsite in Snowbird. Finally, they continue their Horizons experience through post-session mentoring by alumni guides and follow-up electronic leadership lessons and guidance.

Participants who completed the 80 clock-hour immersive, experiential experience received SCL's Enduring Leadership certificate.

ADDITIONAL GRANT SUPPORT

- Direct funding and support of the Fraternity's chapter support program, which provides operational guidance and assistance to each of the Fraternity's undergraduate chapters.
- Sixty-seven (67) chapters were recognized with Peterson Significant Chapter Awards sponsored by the Foundation.
- The North Dakota State chapter received a \$5,000 educational grant for earning the Daniel William Cooper Award as the Fraternity's most outstanding scholastic achievement program. The Foundation also issued grants to the top two recipients of the Legion of Honor award, Santa Clara (\$3,000) and Eastern Kentucky (\$2,000).
- The Foundation and Fraternity honored 73 brothers with the Significant Sig Award. Awarded annually since 1935, more than 2,000 alumni have received the award, which recognizes members who have achieved high levels of professional success.

"I grew up with the motto, you come into this world with nothing and you leave the world with nothing, but if in between, you're blessed with more financial resources than you need to live on, then I think it's your obligation to give back. And where do we wanna give back? We wanna give back to the organization that helped us grow. There's no organization that helped me grow more than Sigma Chi. And so I think that's really important. I don't want it sitting in some university endowment. I want the money to go where it can help young people become better human beings and better leaders. So that's what Penny and I are trying to do through Sigma Chi, to enable more people to become authentic leaders who can transform organizations and society."

Order of Constantine and Significant Sig
Bill George
GEORGIA TECH 1964

In June, the Sigma Chi Foundation announced a substantial commitment by George, his wife, Penny, and the George Family Foundation to support the Authentic Leadership track of the Transformational Leader.

2022 GIVING SOCIETIES

GIVING SOCIETIES

Thanks to the generous support of our alumni brothers and friends of Sigma Chi, the Sigma Chi Foundation is able to provide nearly \$10,000 in leadership program and academic scholarship support to every undergraduate chapter every year — this is far beyond what any other Greek fraternity has been able to accomplish.

The Sigma Chi Foundation established giving societies to honor members that donate at certain levels or in a certain way. Gift clubs honor lifetime giving as well as various levels of the Life Loyal Sig Annual Fund, Thomas Cowan Bell Chapter Challenge, Donor-Scholar or Foundation-operated scholarship fund, leadership program fund, naming opportunity or Historical Initiative.

SIGMA CHI FOUNDERS' CIRCLE

Recognizing brothers who have given back to the Fraternity throughout their lives while leaving a legacy for Sigma Chi's future. In honor of Sigma Chi's seven Founders, this group of men have achieved three significant milestones within Sigma Chi through volunteerism and monetary contributions: Induction into the Order of Constantine, entry into the William Lewis Lockwood Society and membership in the James Parks Caldwell Society. Brothers who attain Founders' Circle status are presented with an exclusive ring handcrafted by Sigma Chi's official jeweler Buddy Cote and Legacy Deuteron in honor of their generous support and contributions to the Fraternity.

DONOR RECOGNITION POLICY
As of July 2007, the Foundation recognizes in its giving societies and annual report donors who contribute to the unrestricted annual fund, the Bell Chapter Challenge, a program fund, a Donor-Scholar Awards initiative, Foundation-operated scholarship fund, naming opportunities or Historical Initiative. Contributions to chapter scholarship funds are recognized by individual chapters. Irrevocable planned gifts are recognized based on the face value of the gift. They are booked on the Foundation's financial statement based on generally accepted accounting principles.

JAMES PARKS CALDWELL SOCIETY

Recognizing those who have named the

Sigma Chi Foundation as a beneficiary of a planned gift, which includes a will, trust, retirement plan, life insurance policy or life income gift.

The Foundation's **Distinguished Visitors** program has, since its inception in the 1980s, provided alumni, such as Significant Sig Arthur Fields, **MURRAY STATE 1966** (pictured right), with an opportunity to reconnect with their Sigma Chi roots and impact undergraduate brothers. Last summer, these distinguished alumni participated in visits to the Horizons Huntsman Leadership Summit in Snowbird, Utah, and the Krach Transformational Leaders Workshop in Bowling Green, Ohio. These men, who are among Sigma Chi's most accomplished brothers, are encouraged to share their wisdom and perspective on leadership, character and values with undergraduate brothers during their visits.

PAYING IT FORWARD

WAYS TO GIVE BACK

MAKE A DIRECT IMPACT WITH YOUR SUPPORT OF SIGMA CHI

LIFE LOYAL SIG ANNUAL GIVING

Whether it's world-class leadership curriculum through the Sigma Chi Leadership Institute, academic scholarships or operational funding, one-time or recurring monthly or annual gifts to the revamped Life Loyal Sig annual giving program support every facet of the Foundation's mission. Visit sigmachicago.org/give to learn more.

DONOR-SCHOLAR AWARDS

The Foundation's Donor-Scholar Awards provide a naming opportunity to interested alumni who wish to directly support the Foundation's expanding scholarship program. Donors contributing to this effort at an endowment level (a one-time gift of \$25,000) will have an annual academic scholarship named for them or an honoree for a minimum of 30 years.

SCLI PROGRAM SPONSORSHIP

By providing our members with world-class leadership curriculum, Sigma Chi is developing young men into character-based leaders who are committed to the betterment of their chapters, campus and community. These gifts support major initiatives, such as Horizons, Krach TLW, or one of the Transformational Leader program's certificate programs.

HISTORICAL INITIATIVE

Founded in 2005 by 20th Grand Historian Eric Hansen, **CINCINNATI 1989**, and members of the Fraternity's Historical Commission with a grant from the Foundation, the Historical Initiative oversees the care and preservation of the Fraternity's historical collection and historic facilities including the Chuck and

Kim Watson Museum of Sigma Chi and the monuments and memorials of our Fraternity. It is estimated that the various collections hold nearly 250,000 documents, images and three-dimensional artifacts.

BROTHERS HELPING BROTHERS

Sigma Chi's Brothers Helping Brothers Fund supports brothers who have lost employment or been displaced from academic institutions due to disasters or global pandemics in the form of academic scholarships or educational support.

MEMORIAL GIFTS

You may wish to direct memorial gifts to the Sigma Chi Foundation to honor the memory of a deceased brother. Unrestricted gifts will be applied to the area of greatest need to support educational and leadership development opportunities for undergraduate members. Gifts may also be directed to a specific chapter or program fund.

CRYPTOCURRENCY GIFTS

Support the mission and goals of the Sigma Chi Foundation with a gift of Bitcoin or other forms of Crypto with The Giving Block. Donating crypto directly to the Foundation is tax efficient and can save you money. Visit thegivingblock.com/donate/sigma-chi-foundation/ to learn more.

1855 WINE CLUB

In 2020, the Sigma Chi Foundation partnered with the International Fraternity and Fairwinds Estate Winery to launch In Hoc Napa Valley and the 1855 Wine Club to benefit academic scholarships. Proceeds from club memberships and gifts support Sigma Chi and help fund the International Balfour Award scholarships. Visit inhocvino.com to learn more.

BELL CHAPTER CHALLENGE

Our Fraternity made a difference in the lives of over 267,000 living brothers, and these men want to give back. More importantly, they want to give back to their own chapter.

The Bell Chapter Challenge allows alumni brothers to support their home chapter, or a chapter of their choosing, with enhanced leadership and scholarship benefits.

BELL BENEFITS

Blue Level – \$10,000 annually or \$250,000 endowment

- Priority Access for four (4) participants at Krach Transformational Leaders Workshop*
- Up to \$1,000 Travel Stipend (\$1,500 for endowment) to support the chapter’s participation in the regional Province Conference**
- One designated Horizons Huntsman Leadership Summit slot for a qualified applicant.
- Priority Access for seven (7) chapter officers as the Officer Training Academy.
- Three (3) designated \$1,000 academic scholarships (4 for endowment) that recognize lead donor.
- Local SCLL credentialed retreat no cost to chapter.

- Donor plaque for chapter house/facility.
- Invitation to chapter delegation for banquet dinner at Krach TLW (including alumni/faculty present).

Gold Level – \$500,000 endowment

- Priority Access for five (5) participants at Krach Transformational Leaders Workshop*
- Up to \$2,000 Travel Stipend to support the chapter’s participation in the regional Province Conference**
- Two designated Horizons Huntsman Leadership Summit slots for a qualified applicant.
- Priority Access for seven (7) chapter officers as the Officer Training Academy.
- Six (6) designated \$1,000 academic scholarships that will recognize lead donor.
- Local chapter leadership retreat no cost to chapter with an additional \$3,000 stipend for expenses.
- Donor plaque for chapter house/facility.
- Invitation to chapter delegation for banquet dinner at Krach TLW (including alumni/faculty present).

** Participants at Krach TLW receive licensed leadership certificates
** Allowable Travel Expenses per Fraternity/Grand Quaestor Reimbursement Guidelines*

AMAZON SMILE

Did you know that you can contribute to Sigma Chi while making an online purchase through Amazon? Visit smile.amazon.com and select the Sigma Chi Foundation as your philanthropy of choice. A small percentage of each purchase made through Amazon Smile will support the leadership mission of Sigma Chi.

LEGACY CELLAR

Today, there are millions of bottles of wine being stored in personal cellars and storage facilities. Often, wine enthusiasts are focused on accumulating wine and many collections include more than any person or their heirs could consume in a lifetime. These collections are not considered during estate planning or when making charitable contributions. Now, through The Legacy Cellar Foundation, donors can directly convert their wine into a significant charitable legacy benefiting Sigma Chi members for decades to come. Visit legacycellar.org to learn more.

LEAVE A LASTING LEGACY

Through leadership initiatives, support services, and academic scholarships, the Sigma Chi Foundation is helping to build the leaders of tomorrow.

With a proper planning, you can create a meaningful legacy and help us ensure that future generations of Sigs are able to achieve their fullest potential. Legacy gifts strengthen Sigma Chi and can align with your passion or special affinity.

Many of these gifts have funded scholarships, while some support much needed programming, others bolster leadership initiatives, and some have provided unrestricted resources directed by our Board of Governors to the greatest need at the time received.

Donors who make a legacy gift are invited to join our James Parks Caldwell Society and are among our most valued supporters.

GIFTS BY BEQUEST

A bequest to the Foundation can be made for a specific amount, a percentage of your estate, or all or a portion of what is left after you have provided for your family. With a bequest, you retain control of and use of your assets during your lifetime and can potentially save on income taxes, capital gains and estate taxes.

LIFE INSURANCE GIFTS

Life insurance policies are powerful philanthropic tools that often allow a donor to make a much larger donation than they ever thought possible. Donors can name Sigma Chi Foundation the beneficiary or transfer ownership to the Foundation and then make tax-deductible gifts to pay the premiums. The Foundation receives the proceeds of the policy after your lifetime.

LIFE INCOME GIFTS

Your gift can be structured to provide you income for life. The Foundation will make a fixed payment to you for life with the remainder benefiting the Fraternity. Such arrangements are particularly appealing because donors often can reduce taxes and increase their spendable income. You benefit now, and Sigma Chi benefits later.

For more information on these and other opportunities, or to reach a member of our Foundation staff visit legacygiving.sigmachi.org.

ETHAN CHAPIN
IDAHO 2025

WALKER FIELDER
MISSISSIPPI 2024

All Honor To Their Names.

This Fall, Sigma Chi suffered the tragic loss of two incredible young men from the Gamma Eta and Eta chapters, respectively, due to senseless acts of violence in Moscow, Idaho and Oxford Mississippi.

The Sigma Chi Foundation has established memorial scholarships to honor the memory of these brothers, who were deeply loved and respected by all who knew them. These annual awards, presented to deserving members of their chapters, will forever recognize their legacy.
