

Kustos 101 - Chapter System Guide

To prepare for your Ritual for Life classes, you must first know where to find your resources.

Image 1 - Under the Membership tab, click on Ritual for Life Resources

The next window that opens will be a SharePoint Folder

Image 2 - You have each of your 3 courses broken out. You should download each of these and familiarize yourself with the course material in order to be able to speak knowledgeably on the topics. Also of note, the **Music** for all of the ceremonies of initiation are housed in a folder on this page as well as a **5 Week Planning Guide** and a **Best Practices and Performance Guide**.

Image 5 - As the new initiates complete each of the online modules, the BLACK dot will turn **GREEN**, letting you know it is complete. Once all of the modules are completed (and assuming P4B was completed), the BLACK dot under the final column (FLC Completion) will turn **GREEN** to signify that they have completed the Foundational Leadership Certificate.

If the **WEEK 3** dot does not turn **GREEN**, it could indicate that the recent initiate did not pass the final R4L exam after 2 attempts. In which case, the Kustos will submit a helpdesk ticket to have the exam unlocked for a final attempt.

UNDERGRADUATE

Will Turn Green When Completed
