

Kustos 101

To prepare for your Ritual For Life classes, you must first know where to find your resources.

Image 1 - Under the Membership Tab, click on Ritual For Life Resources

The next window that opens will be a Sharepoint Folder

Image 2 - You have each of your 3 courses broken out. You should download each of these and familiarize yourself with the course material in order to be able to speak knowledgeably on the topics. Also of note, the Music for all of the ceremonies of initiation are housed in a folder on this page as well as a 5 Week Planning Guide and a Best Practices and Performance Guide.

You will need to monitor the progress of all new initiates through the completion of the Ritual For Life program

Image 3 - To view the progress of the new initiates, open the Membership Tab and click on eLearning Tracker

Image 4 - Click on the the word "**here**"

Image 5 - As the new initiates complete each of the online modules, the BLACK dot will turn **Green**, letting you know it is complete. Once all of the modules are completed (and assuming P4B was completed), the Black dot under the final column (FLC Completion) will turn **Green** to signify that they have completed the Foundational Leadership Certificate.
