Chapter and Member Accountability Committee (CAMAC)

Committee designated to hold undergraduate chapters and the individual members of those chapters accountable for actions that violate Fraternity policy.

Seven-Day Letter

This letter requires a chapter to draft a written response to the allegations, which must be received by CAMAC within seven-days from the issuance of the letter.

Membership Review

Each undergraduate member is placed on Suspended Active Status and will be required to go through an interview to determine if they are worthy of being placed back into good standing.

Chapter Assessment

Groups of undergraduate members are interviewed to evaluate the chapter's culture and see what areas need improvement.
